The 3rd annual Ride & Drive For A Cause charity car show features unique hypercars and supercars, exotic cars, luxury cars, from brands such as Ferrari, McLaren, Lamborghini, Maserati, Rolls Royce, Porsche and many more makes and models.

The Alberta shows are set in picturesque Calgary and Edmonton, with a 3<sup>rd</sup> location added this year in beautiful Okanagan wine country, Kelowna BC.

For many spectators, this is a unique opportunity to see rare vehicles up close and personal.

Ride & Drive For A Cause is an Alberta registered non-profit organization with the sole purpose of sharing our love for automotive while helping others in need.

In 2022 we donated our proceeds to support women facing domestic violence and sexual abuse.

In 2023 we have partnered with **variety** – the children's charity in Alberta and the **Okanagan Dream Rally** in BC to support children living with disabilities and specialized needs in our community.

This family-friendly fundraiser event will be filled with over 200 hundred amazing vehicles, music, VIP area, wonderful ambiance, and attractions to enjoy.

With your sponsor support, we can achieve our fundraising goals to support children living with disabilities and specialized needs in our community.

# MODERN MARVELS OF TECHNOLOGY

The Okanagan Dream Rally is a very special charity car rally taking place in Kelowna, BC, Canada that is committed to helping children and youth in need while raising money for charity. The children involved in the rally are our “Co-pilots” which are thoughtfully paired up with their Dream Rally drivers to enjoy this special day together in the passenger seat in one of over 200 incredible participating dream cars.

With the Okanagan Dream Rally, we hope to provide special children and their families with an incredibly fun-filled experience of being in the co-pilot seat of a dream car for a day that will create memories to last a lifetime. In addition, providing opportunities for our community, public figures, and businesses to support a good cause and make a difference locally in their community.

Our mission with the Okanagan Dream Rally is simple. We want to put a smile on the face of a child in need and provide them with a day that they will never forget. With the help of incredible drivers, sponsors, and those donating towards this event, we are able to raise funds for causes that have a profound impact in our community.
